The Council of Engineering & Technology (India)
Formerly, The Institution of Engineering & Technology (India)
An autonomous body running as per present policy of AICTE, Govt. of India
Established under Technical Institution of Information & Majestic education,
which is Regd. under Societies Registration Act. XXVI of 1961.

Ref. No. CET(I)/ Notice/Examination/073 Date: 12.11.2026

Notice

It is hereby notified to all the Institutional Members that the Student Login System is now ready from CET(I) Website. So you all are requested to submit the examination forms for existing students and enrollment and examination forms for new admitted candidates for the December 2026 (Winter Session) at the earliest and cooperate with us to issue the Student Login credentials from CET(I) end.

The students will be able to view and download their study material from their login page. No hard copies of the study materials will be issued from CET(I) from this semester onwards.

By Order
