

DEGREE

Computer Science & Technology [AMCET(I)]

Section B

- 3rd Semester :** BCS01 – Mathematics- III
BCS02 – Principles of Programing
BCS03 – Circuit Theory & Networks
BCS04 – Digital Electronics
- 4th Semester :** BCS05 - Society & Environmental Engineering
BCS06 – Computer Organization
BCS07 – Data Structure C Algorithm
BCS08 – Visual Programming & Web Technology
- 5th Semester :** BCS09 – Control System
BCS10 – Advance Computer Architecture
BCS11 – Principles of Communication Engineering
BCS12 – Operating System
- 6th Semester :** BCS13 – Database Management System
BCS14 – Micro Processor
BCS15 – Design & Analysis of Algorithm
BCS16 – Industrial Economics & Management
- 7th Semester :** BCS17 – Computer Networks
BCS18 – Software Engineering
BCS19 – Computer graphics & Multimedia
BCS20 – Elective Papers
(i) Distributed Database
(ii) Bio-Informatics
(iii) Network Application
(iv) Immerge Processing
(v) Advance Operating System
- 8th Semester :** BCS21 – System Software & Administration
BCS22 – Language Processor
BCS23 – Artificial Intelligence
BCS24-L – Computer Science & Technology Lab
BCS25 - Project
