

DIPLOMA

Automobile Engineering (DIPCET)

Part-II

3rd Semester : DA01 – Strength of Material

DA02 – Manufacturing Technology

DA03 – Hydraulics & Pneumatics

DA04 – Automobile engineering (Drawing)

4th Semester : DA05 – Thermodynamics

DA06 – Automobile transmission system

DA07 – Electrical & Electronics Engineering

DA08 – Refrigeration & Air Conditioning

5th Semester : DA09 – Design of machine elements

DA10 – Automobile Chaises

DA11 – Automobile Design

DA12 – Automotive Electrical & Electronics

6th semester : DA13 – Automobile Technology

DA14 – CAD/CAM

DA15 – Industrial Engineering & Management

DA16 – Automobile Engineering Lab (Lab-2)

DA17 – Project
