

अखिल भारतीय तकनीकी शिक्षा परिषद्
ALL INDIA COUNCIL FOR TECHNICAL EDUCATION
(भारत सरकार का एक सांविधिक निकाय) (A STATUTORY BODY OF THE GOVT. OF INDIA)

No.F: Dir.(Acad.)/Recognition(syllabi)/2012/ 695

Date: 26/07/2012

To,

Shri. K.C. Sahoo,
Secretary,
The Institution of Engineering & Technology (India),
48/A, B.M. Banerjee Road,
Belgharia, Kolkata – 56 (W.B.)

Sub: Application for status made in ref. no. IET(I)/12/255, dated 23.7.11 by
TIET(I), kolkata.

Sir,

Please refer to your letter no. IET(I)/12/255 dated 05.07.2012.

2. The subject matter has been examined. As per the decision of the Executive Council of AICTE, the present policy is as under:

- *The requests received for granting equivalence to degree courses for academic purpose will be referred to AIU/UGC. The requests received for granting equivalence to degree courses for employment purpose will be left to the discretion of employer.*
- *The requests received from private companies or individuals for granting equivalence to diploma courses for employment purpose is left to the employer whereas, for academic purpose it may be left to the institutions where the admissions for higher studies are taken.*

It is therefore regretted that no action can be taken on your proposal.

Yours Sincerely,

(Rajinder Kumar)
Director (Academics)

No.28-3/2013-TS-II

Engineers House, 48/A,
B.M.Banerjee Road, Belgharia, Kolkata-56
West Bengal.

Subject : Application for status of the application regarding recognition of
DIPIET (I) Diploma Level & AMIET(I) Degree level conducted by the
Institution of Engineering & Technology etc.

Sir,

Please refer to your proposal dated 19.02.2013 received in this section on
01.03.2013 on the subject mentioned above.

2. In this regard, it is to inform you that it was earlier decided in the Ministry not
to consider the fresh cases of equivalence and recognition. Now, the Department has
issued a fresh order on 06.12.2012 in modification of letter dated 10.07.2012. It is
clearly mentioned in point (iv) of para 1 that statutory regulators should review the
fresh proposals/ extension as per their statute and regulations. A copy of the order
dated 06.12.2012 is enclosed.

3. You are requested to make further communication with AICTE in this matter.
Therefore, your proposal is returned herewith.

Yours faithfully,

(R.K. Maheshwari)
Under Secretary to the Government of India

OFFICE MEMORANDUM

In modification of Order F.No. 11-15/2011-AR (TS.II) dated 10.07.2012 and to facilitate the institutions during transition period, following decision has been taken in the Ministry:

- (i) Above order dated 10.07.2012 regarding cases of recognition in perpetuity for equivalence in Central Government job, stands withdrawn.
- (ii) All those students who are enrolled with the institutions with permanent recognition upto 31.05.2013 would be eligible for consideration in accordance with MHRD office memorandum/ order in force pertaining to their course for equivalence in Central Government jobs. However, these concerned orders will cease to have effect from 01.06.2013 onwards.
- (iii) After 31.05.2013, based on the review by the regulator i.e. AICTE, a decision on continuation of the certification of equivalence of degree/ diploma shall be taken by statutory regulator.
- (iv) Statutory regulators should review the fresh proposals/ extension as per their statute and regulations.

2. In case, the institution desires to opt for realigning curriculum with NVEQF, it is advised to use this transition period upto 30.05.2013 for necessary action in this regard.

This issues with the approval of the Competent Authority.

Shri D Chatterjee
Secretary (CET-I)
Engineers' House, 81 Golaghata Road
(VIP), Radhakunja Apartment, Kolkata-48

Subject: Application for information about new regulatory authority & policy of Professional Engineering Society.

Sir,

Please refer to your Grievance Petition no. CET(I)/MHRD/14/418 dated 25.06.2014 on the above mentioned subject.

2. In this regard, it is stated that the Ministry had given recognition to courses of various institutions in the past which are available on the website of the Ministry. The Ministry had also issued an O.M. dated 6.12.2012 wherein it is mentioned at para (iii) that after 31.05.2013, based on the review by the regulator i.e. AICTE, a decision on continuation of the certification of equivalence of degree/diploma shall be taken by statutory regulator and para(iv) the statutory regulators should review the fresh proposals/extension as per their statute and regulations.

3. However, the issue of recognition is subjudice in Hon'ble High Court of Delhi.

Yours faithfully,

(Daulat Ram)

Dated the 09.2014

To
✓ The Secretary
The Council of Engineering & Technology (India)
"Engineers' House", 81,
Golaghata Road, (VIP Road),
Radhakunja Apartment, Kolkata 48
West Bengal.

Subject: Reasoned order regarding recognition of DIPCET(I) & AMCET(I) conducted by the Council of Engineering & Technology (India) as per order of Hon'ble High Court, Delhi with case no. W.P. (C) 5039/2014 ib dated 11.08.2014.

Sir,

Please refer to your letter no.CET(I)/14/Under Secretary/424 dated 08.09.2014 on the subject mentioned above.

2. In this connection, it is stated that prior to 11.7.2011 a High Level Committee used to deliberate on the subject of granting equivalence. Subsequently, it was decided to wind up the High Level Committee as it had outlived its utility as numerous universities and educational institutions had come up since the concept was initiated in the 70s. It was decided to constitute a Joint Committee for updated validation of institutions and certificates which had been granting equivalence in the past for recruitment under Central Government.
3. All the institutions should re-align their curriculum to be in line with the National Vocational Educational Qualification Framework(NVEQF) wherever applicable.
4. It was decided that after 31.5.2013, based on the review by the regulator i.e. AICTE a decision on continuation of the certification of equivalence of degree/diploma shall be taken by statutory regulator. The Ministry had accordingly issued an O.M. dated 6.12.2012(copy enclosed).
5. The issue is now sub-judice in Hon'ble High Court of Delhi.

Yours faithfully,

(Daulat Ram)

Secretary, IET (I)
The Institution of Engineering & Technology (India)
"Engineers' House", 48/A
B. M. Banerjee Road, Belgharia, Kolkata - 56 (WB)

Sub: Recognition of Associate Membership Course and Technician Membership Course awarded by The Institution of Engineering & Technology (India) - reg.

Ref: Letter No. IET (I)/12/407 dated October 16, 2012

Sir,

This has reference to your application for recognition of Associate Membership Course equivalent to degree & Technician Membership Course equivalent to diploma awarded by IET (I), Kolkata.

In this connection, it is to be noted that awarding equivalence to any programme is not come under the purview of Distance Education Council (DEC). It is the Association of Indian Universities (AIU), New Delhi who give equivalence to the degrees.

Further, subsequent to the order of MHRD dated July 29, 2009 directing DEC to withdraw permission, if any, from all Universities/ Institutions offering B.E./ B. Tech. Engineering course through distance mode in compliance to that, DEC has written to all Open and Distance Learning (ODL) providers not to offer B.E./ B.Tech. programmes through Distance Mode and also asked them to ensure that no student is admitted from the year 2009-2010 onwards.

You may approach AICTE for further clarification, if any, in this regard, since, AICTE is apex Statutory Body to regulate technical/ professional education in the country.

With regards,

Yours faithfully

Sub: Registration of certificate course of IET (India) in Employment
Exchanges, Delhi State

Sir,

Please refer to your letter no.IET(I)/13/351 dated 17.04.2013 regarding registration of jobseekers having the certificates of IET (India) in all Employment Exchanges, Delhi State. In this regards, it is to inform you that services of registration of jobseekers are online. All the verifications of age, educational qualifications, skills and experiences are done by the respective employers only where the names of jobseekers are sponsored. Therefore, while registering online on the website of the Directorate of Employment, Govt. of NCT of Delhi, the jobseekers who have obtained the certificates / diplomas in Civil, Mechanical, Electrical, Electronics & Communication Engineering can also register themselves for which the options are already available.

Sub: Regarding endorsement of DIPCET(I) & AMCET(I) of CET (India) for higher study.

Sir/Madam,

I am to refer to your letter no. CET(I)/UNIV/16/347 dated 12.02.2016 on the subject mentioned above and to say that the matter pertaining to endorsement of DIPCET(I) & AMCET(I) of CET (India) has been examined in consultation with the Dean, Faculty of Engineering & Technology, JMI and it is clarified that JMI does not follow the practice of endorsement of any programs/course for admission to B.Tech/M.Tech programs offered in the Faculty of Engineering & Technology, JMI.

Admission to B.E. Evening programs is offered to candidates holding Diploma in Engineering recognized by UGC/AICTE. Similarly, admission to M.Tech. is offered to candidates possessing Bachelor's degree in Engineering recognized by UGC/AICTE.

Thanking you,

Yours sincerely,

Dear Sirs,

MEMORANDUM OF UNDERSTANDING BETWEEN THE INSTITUTION OF ENGINEERING & TECHNOLOGY (INDIA) [IET-I] AND THE INSTITUTION OF ENGINEERS, MALAYSIA (IEM)

We refer to the above.

We are pleased to enclose herewith the signed MOU between IET-I and IEM for your safekeeping.

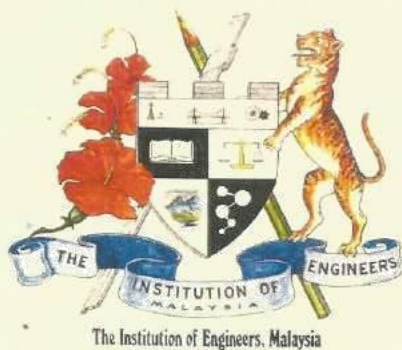

Thank You.

Yours faithfully

MEMORANDUM OF UNDERSTANDING

between

**THE INSTITUTION OF ENGINEERS,
MALAYSIA**

and

**THE INSTITUTION OF ENGINEERING
& TECHNOLOGY (INDIA)**

By this memorandum The Institution of Engineers, Malaysia (IEM) and The institution of Engineering & technology(India) hereby establish a co-operative relationship in their areas of interest devoted to the promotion of the art and science of engineering.

This memorandum sets forth the general principles, which the Institutions propose to follow as they co-operate in the exchange of information and knowledge in order to promote the art and science of engineering. Each Institution may from time to time also enter into agreements of co-operation with other organisations with respect to these matters.

The following are the specific terms of this memorandum.

A. MEMBER ACTIVITIES

1. Attendance at Meetings

Members of one Institution shall enjoy the privilege of attendance at and participation in conferences and courses of the other Institution on the same basis and for the same fees as members of the other Institution.

2. Publications

Each Institution shall exchange appropriate publications to enable each Institution to be aware of current developments in the other Institution.

3. Membership

All who are members of one Institution and who meet the membership requirements of the other Institution are encouraged to apply for membership in that Institution.

4. Guest Members

Each Institution shall extend to the members of the other Institution, including student members, the same privileges and courtesies as extended to its own members at same dues, rates and costs during a temporary (one year or less) stay in the country of the other Institution, if so requested by a member.

5. Student Participation

Each Institution will extend student membership privileges to student members of the other Institution who are studying in an engineering, technical or scientific field, at the same dues, rates, during temporary stay in the Institution's country.

6. Identification

Members of each Institution using the privileges under the memorandum shall furnish appropriate evidence of membership of their own Institution. This is especially important for attendance at meetings and for the purchase of publications.

B. INSTITUTION ACTIVITIES

1. Participation

Each Institution shall encourage its members to participate in the activities of the other Institution. Such participation shall include, but not be limited to; publication of technical papers; presentation of papers at conferences; exchange of lecturers; and the co-sponsorship of conferences.

2. Communication

Each Institution may republish in its general publications single articles appearing in the publications of the other provided that prior written permission is obtained and appropriate credits are given to the authors and source, and further, provided that the rights of authors and publishers are properly protected.

3. Technical Activities

Each Institution shall encourage its technical sections / divisions to involve the related sections / divisions of the other Institution in international events for the exchange of technical information. Each Institution recognizes the geographic jurisdiction of the other Institution by agreeing that the host Institution shall normally be the sponsor with the prime and financial responsibility for technical events within its own country. The two Institutions shall encourage the joint sponsorship of technical events of mutual interest in third countries. A written understanding of mutual responsibilities shall be exchanged between the two Institutions during the early planning stages for each event.

C. REVIEW, AMENDMENT AND TERMINATION

The memorandum has a fixed duration of three years, whereupon it will automatically be renewed for another three years if not terminated by either Institution as detailed below.

Amendments to the memorandum may be proposed at any time but will not be valid until they have been approved by the governing Councils of both Institutions.

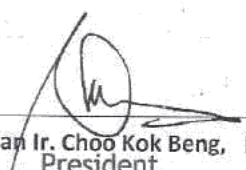

The memorandum may be terminated by either Institution six months after having provided a written notice to the other Institution.

D. RATIFICATION

Any proposed memorandum or protocol setting forth a memorandum, even though signed by officers of IEM and IET(I), is neither valid nor binding until approved by the Councils of IEM and IET(I)

and CET (India) have entered into this Agreement to facilitate the enhancement of the efforts of each organization to better serve the public and the engineering profession in its own country.

The activities considered under this Agreement may include, but are not limited to, the list of activities contained in items 1 through 9 of this Agreement.

The Agreement will become valid upon approval by the governing bodies of the above organizations and will have a fixed duration of three years. It will be reviewed six months prior to the agreement termination date and will be automatically renewed for another three-year term if both organizations consider the Agreement to have been beneficial. Should the Agreement be deemed not beneficial by either organization, it will be terminated. It may also be terminated at any time prior to the date of expiration upon six-month written notice from either of the organizations.

Amendments to the agreement may be made at any time, but must be confirmed in writing by all organizations.

Each organization will nominate one person or office to be the focal point for communication with regard to detailed plans of action to be undertaken under this Agreement.

The fiscal details of specific programs proposed under this Agreement will be treated on a case-by-case basis, and the resultant financial plan must be approved by both organizations.

The activities contemplated under this agreement include, but are not limited to, the following:

1. Exchange of information regarding the engineering profession in general.
2. Publishing of articles, papers, and information under preferred terms and in accordance with an agreement specific to each case, provided appropriate measures are taken to identify authors, protect their rights, and, if required, obtain prior permission of authors.
3. Encouragement of the exchange of publications so that both organizations may establish and maintain depositories of technical publications.
4. Encouragement of joint events of all kinds.
5. Encouragement of the exchange of students, lecturers, and guests.
6. Exchange of information regarding scientific and technical events that are of mutual interest.
7. Exchange of publications information index.
8. Exchange of technical periodicals and other publications according to an agreed-upon special literature exchange list.
9. Provide mutual professional advice, especially in all areas of international, technical and scientific matters to the extent provided by each organization to its own members.

5. Student Participation

Each Institution will extend student membership privileges to student members of the other Institution who are studying in an engineering, technical or scientific field, at the same dues, rates, during temporary stay in the Institution's country.

6. Identification

Members of each Institution using the privileges under the memorandum shall furnish appropriate evidence of membership of their own Institution. This is especially important for attendance at meetings and for the purchase of publications.

B. INSTITUTION ACTIVITIES

1. Participation

Each Institution shall encourage its members to participate in the activities of the other Institution. Such participation shall include, but not be limited to; publication of technical papers; presentation of papers at conferences; exchange of lecturers; and the co-sponsorship of conferences.

2. Communication

Each Institution may republish in its general publications single articles appearing in the publications of the other provided that prior written permission is obtained and appropriate credits are given to the authors and source, and further, provided that the rights of authors and publishers are properly protected.

3. Technical Activities

AGREEMENT OF COOPERATION

Between

European Council Of Civil Engineers (ECCE)

&

**The Council of Engineering & Technology, INDIA
CET (I)**

'European Council Of Civil Engineers (ECCE)' and 'The Council Of Engineering And Technology (India) [CET(I)]' have entered into this Agreement to facilitate the enhancement of the efforts of each organization to better serve the public and the engineering profession in its own country.

PREAMBLE

'European Council Of Civil Engineers(ECCE)' and 'The Council of Engineering & Technology (India) [CET(I)]' hereby agree to promote and expand the exchange of technical, scientific and professional knowledge to better serve the interests and welfare of their members, the engineering profession in general and the public in both countries. The spirit of this Agreement is to encourage and support engineer members of the partner organizations to uphold and advance the integrity, honor and dignity of the engineering profession by using their knowledge and skill for the enhancement of human welfare; by striving to increase the competence and prestige of the engineering profession; and by supporting the professional and technical societies of their disciplines.

Activities contemplated under this agreement include, but are not limited to, the following:

1. Exchange of information regarding the engineering profession in general.
2. Publishing of articles, papers, and information under preferred terms and in accordance with an agreement specific to each case, provided appropriate measures are taken to identify authors, protect their rights, and, if required, obtain prior permission of authors.
3. Encouragement of the exchange of publications so that both organizations may establish and maintain depositories of technical publications.
4. Encouragement of joint events of all kinds.
5. Encouragement of the exchange of students, lecturers, and guests.
6. Exchange of information regarding scientific and technical events that are of mutual interest.
7. Exchange of publications information index.
8. Exchange of technical periodicals and other publications according to an agreed-upon special literature exchange list.

9. Provide mutual professional advice, especially in all areas of international, technical and scientific matters to the extent provided by each organization to its own members.

EXECUTIVES, DURATION AND AMENDMENT

1. This agreement will become valid after has been approved by the governing bodies of both organizations and signed by authorized officers thereof.
2. The agreement has a fixed duration of five years whereupon it will automatically be renewed for another five years if not terminated by either organization.
3. The agreement may be terminated at any time prior to the date of expiration with six months written notice by either organization.
4. Amendments to the agreement may be made at any time, but shall be mutually confirmed in writing by both organizations.

A Mutual Recognition Agreement (MRA)

Between

**Society of Professional Engineers
(SPE)**

&

**The Council of Engineering and Technology (India)
[CET (I)]**

Introduction and General Principles

By this Agreement, The Society of Professional Engineers (SPE) and The Council of Engineering and Technology (India) [CET (I)], seek to foster a greater understanding of each others' objectives and practices and how each endeavors to project these for the benefit of society.

In particular, each Body will seek to work in close co-operation with the other to strengthen the practice and standing of engineering in society through the following:

- a) Promoting professional ethics and sustainability in the practice of engineering and as a subject taught in engineering programmes.
- b) Promoting ongoing and planned professional development.
- c) Promote and facilitate the involvement and participation of members in the activities of each Professional Body.
- d) Promoting the title of Professional Engineer in accordance with their statutory entitlement in all their professional dealings, and on letterheads, business cards, reports, specifications, and as part of their professional work.

This Agreement between SPE and the CET (I) establishes the mutual recognition of their criteria for membership.

Qualified Members of one Professional Body may be accorded corresponding membership of the other on receipt of a duly completed acceptable application.

Features and Terms of the Agreement

The Agreement is based on the mutual understanding that the individual Bodies require their members to hold both of the following elements for membership:

- a) A relevant academic qualification from an academic programme accredited, approved or otherwise recognised as appropriate for underpinning the competences required for membership.
- b) A period of supervised or monitored initial professional development or training as appropriate for meeting the competences and commitment required for membership.

Operational Arrangements

A member of either Professional Body wishing to proceed with an application to the other Professional Body under this Mutual Recognition Agreement shall:

- Submit a completed application form, as approved, including details of the existing Professional Body's membership number

Each Professional Body shall verify the membership status of the applicant and confirm that he/she is in good standing with the Professional Body

Corporate Members are treated on a like for like basis, however, due to the structure within SPE;

- A Fellow member of the CET (I), appropriately qualified and experienced holding an appropriate degree may be elected as FSPE
- A member of CET (I) appropriately qualified and experienced [5 years] but not holding an appropriate degree may be elected as MSPE

Corporate members may use the designatory letters P. Eng or P. Eng (UK) as appropriate after their name in addition to the SPE designatory letters.

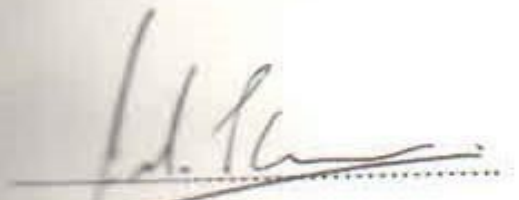

Each Professional Body will operate its own fee structure.

Where one Professional Body proposes to refuse admission to a Member registered as an engineer or engineering technician with the other Professional Body, details of the reason for the refusal shall be notified to the other Professional Body at least one month before formal notification to the applicant.

The Society of Professional Engineers (SPE) and The Council of Engineering and Technology (India) [CET (I)], shall notify each other of and provide copies of any significant changes in policy, criteria, procedures and programmes which might affect the operation of this Agreement.

The Agreement may be terminated on the expiry of six months written notice given by either Professional Body to the other and shall be subject to periodic review at intervals not exceeding five years or as otherwise agreed.

The Agreement has been ratified by the respective governing bodies of The Society of Professional Engineers (SPE) and The Council of Engineering and Technology (India) [CET (I)]
